

REINING IN ONE CLIC

Increase the visibility of your business with our new interactive map *Reining in France*. This new application is available on our website www.nrhafrance.com. Opened to all regardless of your core business: riding school, training, breeding, etc. To get the label *Reining in France*, your organization only needs to participate in the development of Reining by any means.

This app facilitates the access to Reining. From now on you'll be able to find the closest appropriate place from you.

Special offer: 150 € for 12 months, without obligation of renewal!

The entry form to get the label *Reining in France* is available online.

MAJOR BOOSTS

We launched our new website, www.nrhafrance.com: clearer, simpler, more functional, and closer from its users.

With the collaboration of MG Equine Events, we are confident that our association is implementing a coherent, ambitious and long-lasting internal and external communication strategy.

Developing our sport through a performant media platform is essential to attract new sponsors and partners. Among others, we proudly announce a new partnership with Cheval TV. The sponsorship options will be online soon.

NEW FEATURES

The show rules have been somewhat modified this year. The most significant improvement is the introduction of new criteria for NOVICE membership which contributes to the democratization of access to reining.

Let's get moving for our youth kids ! The European comity chose to award Top Ten Jackets for European Youth categories. They also set up an unrestricted youth affiliate country hipoint.

There will be a restricted Youth class during the french Maturity.

STAY TUNED

Our Facebook page is one of our greatest asset. Only events approved NHRA France, or events organized by a member of the NRHA France can be published on our social network. Discussions may be held and information exchanged to collectively define terms and conditions of future posts.

If you need any information, or would like to give us your comments and suggestions regarding the NRHA France and its functioning, we would be happy to hear from you.
