

REINING AROUND THE WORLD

Let's start in France...

NRHA France congratulates all organizers and hosts of NRHA France approved local shows. Thanks to their involvement, they participate in the Reining development in France and facilitate access to our sport.

We keep on going in Europe...

Nearly 100 French riders, members of NRHA France, are qualified for the NRHA European Affiliates Championship (EAC). This competition is co-managing by NRHA US and European Committee. Conditions are available online at <http://nrhaeuropeanderby.com/forms>. NRHA France will do its best to communicate clear and precise informations on its Facebook Page.

And we finish in the USA.

The World Equestrian Games are getting closer! We are excited to find out the names of the qualified riders for the French Team that will be showing in Tryon, USA in September 2018.

NEW PRESIDENT

Members of NRHA France's office elected Bastien Bourgeois Interim President. He is taking the responsibilities inherent to his position. His involvement, his skills and his network offer an assurance of future success.

To the immediate and long-term benefit of the association, the new President and the members of the office have decided to adjust the shows' schedule. NRHA France is looking forward to organizing French Championship Finals together with the Futurity in November 2018.

Members of the office are also committed to bring together the largest number of members during the annual General Meeting 2019. Therefore the meeting will be held in Centre - Val de Loire Region in January.
